PRESS COMMUNIQUE.

8, Clive Street, Calcutta, the 10th April 1942.

Price of garnet lac and button lac.

There has been a marked rise in the price of shellac during recent months. Shellac T. N. which was sold at Rs. 14 per maund at Calcutta in August 1939 was quoted in the first week of March 1942 at Rs. 68 per maund, that is, about five times the pre-war price. Shellac is an important war material and is consumed to the extent of one-third of its total output by Indian industries engaged in war production while large quantities are exported to Empire and allied countries for use in munitions industries. The abnormal rise in the price of shellac therefore compelled the Government of India to bring the prices under control in the interest of the efficient prosecution of the war and the maximum price of shellac T. N. at Calcutta was fixed by them at Rs. 66-8 per maund. On the basis of this price, the maximum prices of garnet lac and button lac have been fixed by the Government of Bengal at Rs. 71-8 and 72-8 per maund respectively, *vide* the annexed order issued by the Chief Controller of Prices, Bengal.

Order.

In exercise of the power conferred by clause (*b*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, which has been directed to be exercised by me by notification No. 463P., dated the 13th January 1942, I hereby direct that the maximum price of garnet lac and button lac in the town of Calcutta as defined in section 3 of the Calcutta Police Act, 1866, together with the suburbs of Calcutta as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866, shall, with effect from the date mentioned against each, be as follows:—

PRESS COMMUNIQUE.

Price of sand.

"Silver" sand is now required in large quantities for filling sand bags for A.R.P. purposes. There is a tendency on the part of dealers to profiteer at the expense of consumers by the sale of this variety of sand. It is therefore considered necessary to fix a maximum price for it and the Chief Controller of Prices, Bengal, has accordingly issued the annexed order to-day fixing the maximum price of half a cubic foot of silver sand, *i.e.*, the quantity ordinarily required for filling a sand bag, at 0-1-6.

Order.

In exercise of the power conferred by clause (*b*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, which has been directed to be exercised by me by notification No. 463P., dated the 13th January 1942, I hereby direct that the maximum price of half a cubic foot of silver sand in the town of Calcutta as defined in section 3 of the Calcutta Police Act, 1866, together with the suburbs of Calcutta, as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866, shall, with effect from the date of the notification, be 0-1-6 (one anna and six pies) only.

Ramna, Dacca, the 23rd April 1942.

(*Note*.—On an average of the five years ending 1939-40, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on, has, in the five years ending 1939-40, averaged (*a*) 45·3 and (*b*) 8·5 per cent., respectively.)

Character of the season.—Since the issue of the Second Forecast in February last there has been no appreciable change in the condition of the crop. Drought affected the crop at important stages of its growth. The present condition of the crop is on the whole fair.

Acreage.—According to the estimates of the District Officers, the total area sown comes to 170,000 acres this year as against 169,100 acres both in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the districts' estimates is 76 per cent. as against 60 and 57 per cent. in the corresponding and final forecasts of last year.

FINANCE DEPARTMENT (CENTRAL REVENUES).

NOTIFICATION.

INCOME-TAX.

New Delhi, the 4th April 1942.

No. 27.—In exercise of the powers conferred by sub-section (*3*) of section 10 of the Indian Finance Act, 1942 (XII of 1942), the Central Government is pleased to make the following rules for prescribing the manner and conditions referred to in sub-section (*5*) of section 8 of the said Act, namely:—

1. These rules may be called the Indian Finance (Income-tax) Rules, 1942.

2. In these rules the expression "total income" means total income as defined in sub-section (*15*) of section 2 of the Indian Income-tax Act, 1922 (XI of 1922).

3. Within 60 days of the publication of the notice under sub-section (*1*) of section 22 of the Indian Income-tax Act, 1922 (or such longer period as may be specified in the notice), any person, not being a company, a local authority or a person not resident in British India whose total income during the previous year exceeded Rs. 1,500 but did not exceed Rs. 2,000 may instead of making the return prescribed under rule 19 of the Indian Income-tax Rules, 1922, furnish to the Income-tax Officer a verified return of his total in Form A annexed to these rules together with a certificate furnished by the Post Master under rule 7 showing that he has deposited in the Indian Post Office Defence Savings Bank an amount not less than the amount prescribed in sub-section (*5*) of section 8 of the Indian Finance Act, 1942.

Provided that where a person claims a refund of tax deducted or paid at source, such claim shall be made separately in accordance with rules 36 and 37 of the Indian Income-tax Rules, 1922.

4. On receipt of the return made under rule 3, if the Income-tax Officer is satisfied that the return made and the amount deposited are correct, he shall not take any further proceedings, but if the amount deposited is found to be less than the minimum amount that should have been deposited on a correct computation on the basis of the return made, he shall call upon the person to make good the deficiency within one month of such intimation. If such person deposits the amount within the said time he shall forthwith send to the Income-tax Officer the certificate of deposit furnished under rule 7 by the Post Master. If he does not deposit the amount, or fails to send the certificate to the Income-tax Officer, he shall be liable to assessment under the provisions of the Indian Income-tax Act, 1922 and in that case the amount deposited by him shall, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, be paid back to him, or at his option transferred to the credit of income-tax revenue, on a direction issued by the Income-tax Officer to the Post Master.

5. If the Income-tax Officer is not satisfied as to the correctness of the return made under rule 3, or the person fails to make good the deficiency in deposit as required by rule

4, the Income-tax Officer shall serve upon him a notice under sub-section (2) of section 22 of the Indian Income-tax Act, 1922, and determine the total income and the tax payable thereon under the provisions of the said Act, provided that if the proceedings for assessment are started not in consequence of any deficiency in the amount deposited and if the income determined on assessment is still found to be below Rs. 2,000, the Income-tax Officer shall allow the assessee the option of depositing within one month the further amount due, if any, on such determination or of paying the income-tax due. If the assessee exercises the former option, no appeal shall lie against such determination. If he exercises the latter option, the Income-tax Officer shall serve upon him the notice of demand under section 29 of the Indian Income-tax Act, 1922, and the amount deposited in respect of the income which has been subjected to assessment shall, notwithstanding anything contained in the Indian Post Office Defence Savings Bank Rules, be paid back to the assessee, or at his option transferred to the credit of income-tax revenue on a direction issued by the Income-tax Officer to the Post Master:

Provided that where the assessee fails to exercise any option, or fails to deposit the amount due, if any, or having deposited the amount fails to forward to the Income-tax Officer the certificate of deposit furnished under rule 7 by the Post Master, he shall be deemed to have exercised the latter option.

6. Where an assessee does not make a return as required by rule 3 and is not a person from whose salary a deposit has been deducted under rule 8, he shall not be allowed to discharge his liability to tax by making a deposit after the expiry of the date fixed for making the return.

7. Where a person makes a deposit in the Indian Post Office Defence Savings Bank for the purposes of rule 3, 4 or 5, the Post Master shall furnish to the person a certificate stating the name and address of the depositor, the amount deposited, the date of deposit, and the number of his account in the Bank.

8. Where the estimated total income chargeable under the head "salaries" exceeds Rs. 1,500 but does not exceed Rs. 2,000, the person responsible for paying the income shall before deducting income-tax as required by sub-section (2) of section 18 of the Indian Income-tax Act, 1922, allow the payee to exercise the option of depositing with the Central Government the amount specified in sub-section (5) of section 8 of the Indian Finance Act, 1942, and where such option has been exercised the person responsible for paying the income shall deduct from the amount of each payment, such portion of the amount to be deposited in respect of the estimated total income of the payee under the head "salaries" as each such payment bears to such total income:

Provided that such person may at the time of making any deduction, increase or reduce the amount to be deducted for the purpose of adjusting any excess or deficiency arising out of any previous deduction or failure to deduct:

Provided further that unless the estimated total income under the head "salaries" is likely to exceed two thousand rupees the option once exercised shall be final for the financial year ending on the 31st March of the year in respect of which the option has been exercised.

9. NOTIFICATION.

No. 2037H.J.—8th May 1942.—In accordance with the undertaking given by the Chief Minister during the last session of the Assembly, the Government of Bengal have constituted a Tribunal consisting of Mr. Justice Panckridge, Sir Sarat Kumar Ghose, retired Judge of the Calcutta High Court, and Mr. S. M. Masih, retired District and Sessions Judge, to review the cases of security prisoners.

2. The terms of reference of the Tribunal are as follows:—

To advise whether, having regard to the scope and intentions of rule 26 of the Defence of India Rules, the material on which the order of detention was based in each case was sufficient to constitute a *prima facie* case for use by the executive authority of the powers conferred on it by that rule; and whether, in the event of a finding that adequate grounds existed for the original order, the release of the prisoner is now justified in view of any representation made by him, or any change of outlook and sympathies resulting from circumstances which may have arisen since the order of detention was passed, such as Great Britain's alliance with the U. S. S. R. and the aggression of Japan, with the consequent progressively nearer approach of a direct threat to India.

3. Mr. Justice Panckridge is appointed to be the President of the Tribunal.

3. A date within the date fixed by the Provincial Government for election shall be notified by the Commissioner in each division for the counting of votes in respect of election from that Division in such manner and at such places within the Division as may appear suitable to him and the Commissioner shall at least six weeks before the date fixed for such counting of votes issue notices calling for nominations of candidates.

4. Nominations shall be made in Form A annexed to these rules which may be obtained from the Commissioner on application stating full particulars of the candidate. Such nomination shall reach the Commissioner not less than thirty days before the date fixed for the counting of votes. Any nomination not made in the aforesaid manner shall be rejected.

5. The Commissioner after scrutiny of nominations on a date to be fixed by him in this behalf shall decide as to the validity of nominations and shall prepare a list of candidates containing the names of those in respect of whom the nomination papers have not been rejected and shall keep such list in his office for perusal by the public.

If the number of candidates is equal to the number of vacancies, the Commissioner shall publish in his office a notice referred to in sub-rule (*2*) of rule 9. He shall then return the ballot paper to the Commissioner in a registered sealed cover so as to reach him on or before the date mentioned in the ballot paper.

PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 24th March, 1942:—

L. A. BILL No. 20 OF 1942.

A Bill further to amend the Indian Medical Council Act, 1933.

WHEREAS it is expedient further to amend the Indian Medical Council Act, 1933; It is hereby enacted as follows:— XXVII of 1933.

Short title, extent and commencement.

1. (*1*) This Act may be called the Indian Medical Council (Amendment) Act of 19 .

(*2*) It extends to the whole of the British India.

(*3*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Amendment of the Preamble of Act XXVII of 1933.

2. In the Preamble of the Indian Medical Council Act, 1933 (hereinafter referred to as the said Act), the word "higher" shall be omitted. XXVII of 1933.

---

*The Governor General has been pleased to accord the previous sanction required by section 119 (1) of the Government of India Act, 1935, to the introduction in the Legislative Assembly of this Bill.

Amendment of section 3, Act XXVII of 1933.

3. In sub-section (*1*) of section 3 of the said Act,—

(*i*) in clause (*c*), the words "who possess recognised medical qualifications or medical qualifications granted by a British Indian University" shall be omitted; and

(*ii*) in clause (*d*), for the word "three" the word "six" shall be substituted and after the words "Governor General in Council" the words "of whom three shall be licentiates having been elected by the All India Medical Licentiates Association" shall be added.

Amendment of the First Schedule to Act XXVII of 1933.

4. In the First Schedule to the said Act, the following shall be added at the end, namely:—

"Medical schools recognised by Provincial Governments.	Medical diplomas recognised by the Provincial Governments and the Provincial Medical Councils.	L. M. P. L. C. P. S. L. M. F. L. S. M. F. M. S. M. F. M. P. L. M. C. P. S."

STATEMENT OF OBJECTS AND REASONS.

Ever since the Indian Medical Council Act of 1933 came into force, the discontent among that large and important class of medical men known as L. M. Ps. had become deeper and deeper. This state of affairs cannot be allowed to continue long.

(2) It is but right that the All India Medical Council should be seized with the problem of setting right the medical standard in this country and unless this Medical Council for India exercises its central control and authority over medical education in medical schools, as it does at present with that of the University Medical Colleges, the Provincial Governments who are in sole charge of medical schools education are not likely in any way in near future to bestow the desired and much needed attention.

(3) It is unimaginable that a vast body of medical men who are entitled to practise by law and statute of the Provincial Governments and who are recognised by the Provincial Medical Councils as legally qualified medical practitioners should be denied their legitimate right of being included in the All India Medical Council.

(4) It is patent that if the Medical Council for India has to justify its title it must include within its scope the medical licentiates who form a prepondering majority of medical men with responsible official and public situations.

(5) It may be mentioned, the original intention, as was proposed in the draft Bills previous to the passing of the Act in this final form, was to constitute a Medical Council in India in order to establish a uniform standard of qualifications in Medicine for all provinces, but that this laudable proposal was given up at the selfish behest of the General Medical Council.

It is therefore now proposed by the above amending Bill to make the Indian Medical Council Act, No. XXVII of 1933, more comprehensive and equitable and make it acceptable to the Indian medical profession.

GOVERNMENT OF INDIA.

The following Bill* was introduced in the Legislative Assembly on the 24th March, 1942:—

L. A. BILL NO. 23 OF 1942.

A Bill to repeal the Indian Tea Cess Act, 1903.

WHEREAS it is expedient to repeal the Indian Tea Cess Act, 1903; IX of 1903.

It is hereby enacted as follows:—

Short title. **1.** This Act may be called the Indian Tea Cess Repealing Act, 194 .

Repeal of Act IX of 1903. **2.** The Indian Tea Cess Act, 1903, is hereby repealed. IX of 1903.

*The Governor General has been pleased to accord the previous sanction required under clause (a) of sub-section (2) of section 67 of the Government of India Act, as saved from repeal by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936, to the introduction in the Legislative Assembly of this Bill.

STATEMENT OF OBJECTS AND REASONS

The Act has not fulfilled its objects and it may be repealed.

ZIAUDDIN AHMAD.

MD. RAFI,
Secy. to the Govt. of India.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 24th March, 1942:—

L. A. BILL No. 24 OF 1942.

A Bill to amend the Indian States (Protection against Disaffection) Act, 1922, for a certain purpose.

WHEREAS it is expedient to amend the Indian States (Protection against Disaffection) Act, 1922, for the purpose hereinafter appearing; It is hereby enacted as follows:—

Short title. **1.** This Act may be called the Indian States (Protection against Disaffection) Amendment Act, 193 .

Amendment of section 3. **2.** After sub-section (*2*) of section 3 of the Indian States (Protection against Disaffection) Act, 1922, the following sub-section shall be inserted, namely:—

"(*3*) Every person accused of committing an offence under this section shall be prosecuted and tried in a Court of law in the town or district where such publications were printed and in every case the appeal shall lie to a High Court of Judicature."

---

*The Governor General has been pleased to accord the previous sanction required by clause (b) of section 108 (1) of the Government of India Act, 1935.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to amend the Indian States (Protection against Disaffection) Act, 1922, so as to make it clear that the prosecution of an offence committed under the Act can only take place in the town or district where such publications were first printed or where the editor or author of a newspaper or book or document usually resides. A journalist usually resides at the place where his newspaper is printed. Cases have occurred in the past when powerful interests have started the prosecution of an editor in a place where the offending document has been sold, thereby causing undue hardship for an editor or author to defend his case. At the time when the Indian States (Protection against Disaffection) Act, 1922, was enacted, the Government gave assurance that in every case of prosecution the defendant will have the right of appeal to a High Court. The latter part of sub-section (*3*), if passed, will legalise the intentions of the Government so definitely expressed.

No. 528L.—18th May 1942.—The following Act of the Bengal Legislature, having been assented to in His Majesty's name by the Governor General, is hereby published for general information.

Bengal Act II of 1942

THE BENGAL AGRICULTURAL DEBTORS (AMENDMENT) ACT, 1942.

(Passed by the Bengal Legislature.)

[Assent of the Governor General was first published in the *Calcutta Gazette* of the 21st May 1942.]

An Act further to amend the Bengal Agricultural Debtors Act, 1935.

WHEREAS it is expedient further to amend the Bengal Agricultural Debtors Act, 1935, for the purposes and in the manner hereinafter appearing; Ben. Act VII of 1936.

It is hereby enacted as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Bengal Agricultural Debtors (Amendment) Act, 1942.

(*2*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Amendment of section 2 of Ben. Act VII of 1936.

2. In section 2 of the Bengal Agricultural Debtors Act, 1935 (hereinafter referred to as the said Act)—

(*1*) in clause (*4*), after the figures "22" the words, figures, letter and brackets "or sub-section (*5*) of section 37A" and after the figures "40" the words, figures and letter "or under section 40A" shall be inserted,

(*2*) in clause (*6A*), after the words "any such court" the words and figures "and also includes a union court established under the Bengal Village Self-Government Act, 1919" shall be inserted, and Ben. Act V of 1919.

(*3*) in clause (*9*), after the figure "9" the words, figures, letter and brackets "and any person who, by virtue of the provisions of sub-section (*7*) of section 37A shall be deemed to be a debtor" shall be inserted.

Amendment of section 33.

3. In clause (*a*) of section 33 of the said Act, after the figure "8" the words, figures and letter "or section 37A" shall be inserted.

Amendment of section 35.

4. In clause (*i*) of section 35 of the said Act, after the figure "8" the words, figures, letter and brackets "or under sub-section (*2*) of section 37A" shall be inserted.

Insertion of new section 37A.

5. After section 37 of the said Act the following section shall be inserted, namely:—

Applications for restoration to possession of immovable property sold in execution of decrees or certificates for debt.

"37A. (*1*) When any immovable property of any person has been sold after the twelfth day of August, 1935, in execution of a decree of a Civil Court or a certificate under the Bengal Public Demands Recovery Act, 1913, relating to a debt, other than a certificate for the recovery of any amount payable under an award, such person or his heir, executor or administrator may, notwithstanding anything contained in this Act or in any other law for the time being in force or in any agreement, apply for relief under this section, if the following conditions are fulfilled, namely:— Ben. Act III of 1913.

(*a*) if, on the date of the sale, such person was a debtor,

The Bengal Agricultural Debtors (Amendment) Act, 1942.

(Section 5.)

(*b*) if the sale was held—

(*i*) before an appointment was made under sub-section (*2*) of section 3 in relation to the Board established for the local area within which such person ordinarily resided at the time of the sale, or

(*ii*) notwithstanding the issue by such Board of a notice under section 34, or

(*iii*) before the commencement of the Bengal Agricultural Debtors (Amendment) Act, 1940, in the case of a debt for arrears of rent in respect of which such person was liable jointly with any other person, and Ben. Act VIII of 1940.

(*c*) if the property sold was in the possession of the decree-holder on or after the twentieth day of December, 1939, or was alienated by the decree-holder before that date in any manner otherwise than by—

(*i*) a *bona fide* gift by a *heba* whether by registered instrument or not, or

(*ii*) any other *bona fide* gift by registered instrument, or

(*iii*) a *bona fide* lease for valuable consideration whether by registered instrument or not, or

(*iv*) any other *bona fide* transfer for valuable consideration (excepting a mortgage) by registered instrument.

(*2*) The application referred to in sub-section (*1*) shall be made to the Board established for the local area within which the applicant ordinarily resides and within one year from the date of the commencement of the Bengal Agricultural Debtors (Amendment) Act, 1942, or from the date on which possession of the property was delivered to the decree-holder, whichever is later, notwithstanding that on the date of such application the period of five years from the establishment of the first Board in such local area has already expired; and the Board shall first determine whether the application fulfils the conditions specified in that sub-section and whether it can be entertained.

(*3*) No Board shall entertain an application under sub-section (*2*) if such application relates to a debt in respect of which a Civil Court has previously entertained a suit instituted or an application made under the provisions of the Bengal Money-lenders Act, 1940; and no Civil Court shall entertain a suit instituted or an application made under the provisions of that Act if such suit or application relates to a debt in respect of which a Board has previously entertained an application made under the provisions of this section. Ben. Act X of 1940.

(*4*) If the Board decides that an application made under sub-section (*2*) fulfils the conditions specified in sub-section (*1*) and can be entertained by it, and if after an opportunity has been allowed in the manner prescribed, the applicant, the decree-holder and the landlord of the applicant in respect of the property sold in the case where the decree-holder is not such landlord, or where the Board finds that the property sold is subject to any *bona fide* mortgage executed by the decree-holder before the twentieth day of December, 1939, the applicant, the decree-holder, such landlord and such mortgagee do not effect an amicable settlement of the debt within such period as the Board may allow, the Board shall, in such manner as may be prescribed,

The Bengal Agricultural Debtors (Amendment) Act, 1942.

(Section 5.)

estimate the average annual gross receipts deemed to have been derivable from the property sold during the period beginning on the first day of January, 1934, and ending on the thirty-first day of December, 1938.

(*5*) After making the estimate referred to in sub-section (*4*), the Board shall make an award directing the applicant—

(*a*) to pay annually in cash to the decree-holder one-half of the value of such average annual gross receipts until the debt is extinguished or until twenty years have expired from the date of the award, whichever is earlier, and

(*b*) in addition, to pay in cash together with each such annual payment as long as such payment continues any amount payable to the landlord of the applicant as current annual rent of the property sold :

Provided that if the property sold is subject to any *bona fide* mortgage executed by the decree-holder before the twentieth day of December, 1939, the Board shall in the said award instead of directing the payment referred to in clause (*a*), direct—

(*i*) that the applicant shall until the principal of the said mortgage, in so far as such principal does not exceed the debt referred to in clause (*a*) of sub-section (*7*), is paid off or until twenty years have expired from the date of the said award, whichever is earlier, pay to such mortgagee annually and in cash one-half of the value of the average annual gross receipts referred to in clause (*a*) of this sub-section, and

(*ii*) that the applicant shall, if after such principal of the said mortgage is paid off anything on account of the debt referred to in clause (*a*) of sub-section (*7*) is still outstanding and twenty years have not expired from the date of the said award, continue to pay the amount referred to in clause (*a*) of this sub-section to the decree-holder until the debt is extinguished or until twenty years have expired from the date of the said award, whichever is earlier :

Explanation.—For the purposes of this proviso any payment made to the mortgagee under clause (*i*) of this proviso shall be deemed to be made towards the debt referred to in clause (*a*) of sub-section (*7*).

(*6*) The Board shall in the case where any improvement has been effected *bona fide* by the decree-holder before the twentieth day of December, 1939, by the erection of a building whether of masonry, bricks, stone or any other material whatsoever or by the construction of any tank or well on the property sold or on any portion thereof, allow compensation to the decree-holder for any loss caused to him by the restoration of the possession of such property to the debtor and shall, before making an award under sub-section (*5*), determine the amount of such compensation in the manner prescribed.

(*7*) For the purposes of an award made under sub-section (*5*)—

(*a*) the debt shall be deemed to be—

(*i*) the amount of the decree or certificate in execution of which the property was sold together with all costs of such execution

The Bengal Agricultural Debtors (Amendment) Act, 1942.

(Section 5.)

including the cost of delivery of possession of the property to the decree-holder calculated in the manner prescribed, and

(*ii*) in addition, the compensation, if any, allowed under sub-section (*6*) and in the case of a decree or certificate for arrears of rent, the amount of the rent, if any, payable to the decree-holder in respect of the property between the date of the institution of the suit or the filing of the certificate and the date on which the decree-holder secured possession of the property,

after deducting therefrom, in respect of each year during which the decree-holder remained in possession of the property, an amount equal to half the average annual gross receipts estimated under sub-section (*4*), and a proportionate amount in respect of any portion of any such year ; and

(*b*) in the case to which the proviso to sub-section (*5*) applies, the debt shall include so much of the principal of the mortgage referred to in that proviso as is payable under clause (*i*) of that proviso to the mortgagee ;

and after such an award has been made, the applicant shall be deemed to be a debtor.

(*8*) The debtor may present a copy of the award made under sub-section (*5*) to the Civil Court or Certificate Officer at whose order the property was sold, and such Court or Certificate Officer shall thereupon direct that the sale be set aside, that the debtor together with any person who was in possession of the property sold or any part thereof at the time of delivery of possession of such property to the decree-holder as an under-*raiyat* of the debtor and who has been ejected therefrom by reason of such sale be restored to possession of the property with effect from the first day of ***Baisakh*** next following or the first day of *Kartic* next following, whichever is earlier, and that any person who is in possession of the property other than a person who was in possession of the property or part thereof as an under-*raiyat* of the debtor at the time of delivery of possession of such property to the decree-holder shall be ejected therefrom with effect from that date.

(*9*) A debtor who has been restored to possession of any property under sub-section (*8*) shall not, so long as there remains unpaid any sum payable under an award made under sub-section (*5*) or until the expiration of twenty years from the date of such award, whichever is earlier, alienate by sale, lease, gift or other form of transfer, or create any charge upon, such property or any portion thereof and, notwithstanding anything contained in any other law, any alienation or charge so made shall be void and of no effect.

(*10*) The provisions of sections 28 and 29 shall, so far as may be, be applicable in the case where the debtor fails to pay by the date fixed any sum payable under an award made under sub-section (*5*).

(*11*) When the debt is extinguished, or when twenty years have expired from the date of the award made under sub-section (*5*), or when such award ceases to subsist under sub-section (*5*) of section 29, whichever is earlier, the decree or certificate in execution of which the property was sold shall be deemed to have been fully satisfied.

(*12*) In this section the expression 'decree holder' includes the certificate-holder and any person to whom any interest in the decree or certificate is transferred by assignment in writing or by operation of law."

The Bengal Agricultural Debtors (Amendment) Act, 1942.

(Section 6.)

Amendment of section 55.

6. After clause (*y*) of sub-section (*2*) of section 55 of the said Act the following clauses shall be inserted, namely :—

"(*ya*) the forms of application under sub-section (*2*) of section 37A, and the manner of making the estimate referred to in sub-section (*4*) of that section ;

(*yb*) the manner in which an opportunity shall be allowed to effect an amicable settlement under sub-section (*4*) of section 37A ;

(*yc*) the manner in which the amount of compensation shall be determined under sub-section (*6*) of section 37A ;

(*yd*) the manner of calculation of costs referred to in sub-clause (*i*) of clause (*a*) of sub-section (*7*) of section 37A ; ".

GOVERNMENT OF BENGAL.

Office of the Chief Controller of Prices, Bengal.

Calcutta, the 8th May 1942.

PRESS COMMUNIQUE.

A number of essential commodities have been brought under control and their prices fixed under rule 81(2)(*b*) of the Defence of India Rules. It has come to notice that a number of dealers are refusing to sell these commodities at the controlled prices and sometimes even deny having these commodities in stock at all. Complaints are also being received frequently from members of the public that dealers who charge higher prices refuse to furnish receipts or cash memos. for the commodities sold lest they should be punished. To put a stop to such malpractices, the Chief Controller of Prices, Bengal, has issued the annexed order making such offences punishable with heavy fines and imprisonment. It is hoped that the public will co-operate with the Chief Controller in the matter by bringing all such cases to his notice and rendering such assistance as he may require, *e.g.*, evidence of witnesses in Court for the punishment of offenders.

Order.

In exercise of the powers conferred by clauses (*a*) and (*f*) of sub-rule (2) of rule 81 of the Defence of India Rules, which have been directed to be exercised by me by notification No. 463P., dated the 13th January 1942, I hereby make the following order, namely:—

1. No dealer dealing in any of the commodities specified in the Schedule below shall withhold from sale any of those commodities to any customer or shall refuse to furnish cash memos. or receipts for the commodities sold, provided such receipts and cash memos. are usually furnished by such dealer to customers.

2. Any dealer found guilty of contravening the provisions of this order shall be punishable with imprisonment for a term which may extend to three years or with fine or with both.

The Schedule referred to above.

Wheat, atta, flour, salt, softcoke, sugar, kerosene oil, matches, mustard oil, dals and cocoanut oil.

Office of the Chief Controller of Prices, Bengal.

Calcutta, the 13th May 1942.

PRESS COMMUNIQUE.

It has been brought to the notice of the Government that boat hire and cooly charges in Calcutta have gone up so high lately that the Calcutta bazar dealers are no longer able to supply salt at the prices fixed on 16th June 1941. The prices are, therefore, slightly advanced as shown in the order annexed.

Order.

SECOND SCHEDULE.

[See rule 14 (1) and the First Schedule.]

CONDITIONS.

The Governor General shall be under no liability under any policy of insurance to which these conditions apply (hereinafter referred to as "the policy") if and in so far as the Insured is not entitled to be insured for the sum thereby insured in respect of the property insured under the Ordinance.

2. If at the time of the happening of any loss or damage the sum insured by this policy shall be less than (a) the total value of the property at the time of the loss or damage or (b) the total value of the property on the date of commencement of insurance whichever is less the insured shall be considered as being his own insurer for the excess and shall bear a rateable share of the loss accordingly.

3. If at the time of the happening of any loss or damage there be any other insurance effected by or on behalf of the Insured covering any of the property suffering that loss or damage, the liability of the Governor General under the policy shall be limited to its rateable proportion of such loss or damage.

4. On the happening of any loss or damage the insured shall forthwith give notice thereof in writing to the Government Agent, and shall within fifteen days after such loss or damage, or such further time as the Government Agent may in writing allow, at his own expense deliver to the Government Agent a claim in writing containing as particular an account as may be reasonably practicable of the several articles or portions of property suffering that loss or damage and of the amount of such loss or damage, having regard to their value on the basis of values

and prices ruling on the date of commencement of the insurance or on the date on which the damage or loss occurred whichever is less together with details of any other insurances on the property insured. The Insured shall also give to the Government Agent all such proofs and information with respect to the claim as may reasonably be required, together with (if demanded) a declaration, verified by an affidavit, of the truth of the claim and of any matters connected therewith. No claim under the policy shall be payable unless the terms of this condition have been complied with.

5. If the claim be in any respect fraudulent, or if any fraudulent means or devices be used by the Insured or anyone acting on his behalf to obtain any benefit under this policy, or if any loss or damage be occasioned by the wilful act or with the connivance of the Insured, all benefits under the policy shall be forfeited.

6. If in his application for the insurance effected by the policy, the Insured shall have intentionally made a material mis-statement of the value of the property insured all benefits under the policy shall be forfeited.

7. If the Governor General elects to pay eighty per cent. of the cost of restoring any property insured, the Insured shall at his own expense produce and give to the Governor General all such plans, documents, books and information as the Governor General may reasonably require. The Governor General shall not be bound to pay the cost of exact or complete restoration but only of such restoration as circumstances permit and as is reasonably sufficient and shall not in any case be bound to expend in respect of the property insured more than eighty per cent. of the sum insured thereon.

7A. If the Governor General elects to pay eighty per cent. of the cost of restoring the property insured, the owner of the factory shall, if so required by the Governor General, reconstruct the factory or remove the factory to and reconstruct it in such other locality as may be specified by the Governor General. This condition shall be evidence of the leave and licence of the Insured to the Governor General so to do. If the Insured or any one acting on his behalf shall not comply with the requirements of the Governor General, or shall hinder or obstruct the Governor General or any person acting on his behalf in doing any of the above mentioned acts, then all benefits under this policy shall be forfeited. The Insured shall not in any case be entitled to abandon any property to the Governor General whether taken possession of by the Governor General or not.

9. The Insured shall at the request and expense of the Governor General do and concur in doing and permit to be done all such acts and things as may be reasonably required for the purpose of enforcing any rights and remedies to which the Governor General is or would become entitled or subrogated upon paying for or making good any damage, whether such acts and things shall be required before or after indemnification by the Governor General.

10. In the event of a transfer of interest, this policy may be assigned but such assignment shall not take effect until notice of assignment has been given to the Governor General.

11. The following conditions may be included in the policy at the request of the Insured:—

"It is hereby agreed and declared that... .... being persons having an interest in the property insured, shall, to the extent of their interest in the property insured, be entitled jointly with the Insured to the rights hereby granted to the Insured, but not so as to grant to them any further or greater rights than those of the Insured under this policy".

12. The liability of the Governor General under the policy shall not exceed in the aggregate eighty per cent. of the sum thereby insured, and accordingly after the happening of any loss or damage the said sum shall be deemed to be reduced by the amount of that loss or damage, the liability of the Governor General being limited to eighty per cent. of the reduced sum.

13. The insured shall bear, in respect of each claim, the first one thousand rupees, or twenty per cent. of the claim, whichever is greater.

14. The Insured shall at all times take due precautions for the safety of the property insured having regard to the nature thereof, and in particular if at any time any property insured sustains war damage, the Insured shall take all reasonable steps to preserve the property insured from damage or further damage as the case may be.

15. The amount which the Insured may provide for depreciation and which may be entered in the annual accounts of the Insured shall not be taken as final and conclusive as against either Insurer or Insured in settling any loss which may occur.

16. The insured shall not be relieved from liability to pay subsequent instalments of premium by reason of the property having been damaged or destroyed, or by reason of the hostilities having ceased before the expiry of the period of insurance, or for any other reason whatsoever. The Governor General shall have the right to deduct from the amount of compensation payable in respect of any claim on account of loss or damage suffered by the whole or any part of the property insured a sum equal to the amount of instalments of the premium remaining unpaid on the date on which compensation is paid by the Governor General.

17. No refund of premium shall be allowed in respect of any policy issued under the Scheme, except as provided in the War Risks (Factories) Insurance Rules.

18. If any instalment of premium in respect of a policy issued under the Scheme is not paid by the date on which the instalment is due, all benefits under the policy shall be suspended, provided that if the instalment is subsequently paid the Governor General shall revive the benefits but may do so either from the date on which the original default was made or from the date on which the payment was subsequently made.

WAR RISKS (FACTORIES) INSURANCE ORDINANCE, 1942.

Instructions.

1. The Government of India have put into operation as from 1st April, 1942 the War Risks (Factories) Insurance Scheme whereby the Government undertake to insure against War Risks the buildings, plant and mahinery of factories in British India as described in paragraph 2 hereof.

It is a condition of the Scheme that the Insured shall bear the first Rs. 1,000 or 20 per cent. of each loss whichever is greater.

2. *Premises to which the Scheme applies*: For the purposes of the Scheme "factory" means any premises which are so defined in Clause (j) of Section 2 of the Factories Act, 1934 (XXV of 1934) and any premises so defined since 31st December, 1938 unless specially exempted by Government and premises in course of erection which when complete and working will be factories within the meaning of Section 2(j). The Government may extend the Scheme to apply to certain properties of mines, gas or electricity supply undertakings.

3. *Property insurable*: The buildings, plant and machinery of the Factory.

The buildings to be insured include all the buildings comprised within the factory as defined in Section 2(j) of the Factories Act, 1934, and other buildings (including residential buildings for staff and workmen, hospitals and welfare centres) within a radius of 2 miles of the Factory which are in the same ownership or occupation as the factory and are used for the purposes of the factory.

The term buildings includes foundations, plinths, floors, staircases, tanks, engine and boiler beds, chimneys and flues.

4. *Property not insurable*: Any property so declared by Government and premises whereof only a part is subject to the Factories Act, 1934, and that part is ancillary to the main purpose of the premises, *e.g.* a laundry or a bakery forming part of an hotel or a furniture workshop or a printing press forming part of a departmental store.

5. *Compulsory insurance*: Before the 20th May 1942, every owner of a building, plant or machinery of a factory must take out a policy under the Scheme insuring such property against war risks with retrospective effect from the 1st April 1942. Where the owner and the occupier are different persons and the former does not insure, the responsibility shall rest on the occupier who shall effect a policy as agent of the owner. The occupier of a factory is the person who has ultimate control over the affairs of the factory.

6. *Sum for which insurance is to be effected*:

(a) in respect of property in existence on inauguration of the Scheme the actual value, *i.e.*, after making due allowance for depreciation on the date of the application.

(b) in the case of property under construction the estimated value on the last day of the Quarter or period referred to in paragraph 10 in which the insurance is effected.

(c) in other cases the actual value, *i.e.*, after making due allowance for depreciation at the date on which the scheme becomes applicable to the property.

In all cases plant and machinery must be valued as part of going concern and not at its scrap value.

7. *How to insure*: The Application Form should be completed and forwarded with a remittance for first instalment of the premium to a Government Agent.

Applications for supplementary insurance must be made on a separate form to be obtained from the Government Agent who issued the original policy.

8. *Government Agents*: The Government of India have appointed certain Insurance Companies to act as Government Agents and issue policies under the Scheme. If the property is insured against Fire with an Insurance Company it is recommended that the War Risks (Factories) Insurance should be arranged through that Company. If this is not done there may be considerable delay in obtaining cover.

9. *Period of Insurance*: All policies issued at the inauguration of the scheme will provide cover for 2 years from 1st April 1942, all policies taken out thereafter will expire on the 31st March 1944, and no policy will be issued to expire on any intermediate date.

10. *Rate of Premimum*: The rate of premium is 4 per cent. for the period, and the premium is payable in eight equal instalments of ½ per cent. as under:—

Last date for payment of instalments.	*Relative Quarter or period.* ....
1st Instalment 20th May 1942.	Period ending 31st May 1942.
2nd Instalment 1st June 1942.	Quarter ending 31st August 1942.
3rd Instalment 1st September 1942.	Quarter ending 30th November 1942.
4th Instalment 1st December 1942.	Quarter ending 28th February 1943.
5th Instalment 1st March 1943.	Quarter ending 31st May 1943.
6th Instalment 1st June 1943.	Quarter ending 31st August 1943.
7th Instalment 1st September 1943.	Quarter ending 30th November 1943.
8th Instalment 1st December 1943.	Period ending 31st March 1944.

Where property becomes insurable after inauguration of the Scheme, payment of the premium shall commence with the instalment due for the quarter or period during which insurance becomes compulsory.

11. The Ordinance prescribes heavy fines for failure to insure or failure to pay any instalment of the premium by due date.

12. Full conditions to which the policy will be subject have been published in the Gazette.

DEFENCE DEPARTMENT.

New Delhi, the 16th May 1942.

Part B.

No. 841.—In exercise of the powers conferred by sub-rule (1) of rule 60 of the Defence of India Rules, the Central Government is pleased to order that no yacht or other vessel or small craft used for pleasure purposes shall move within the territorial or tidal waters of British India except with the permission of the Flag Officer Commanding, Royal Indian Navy or a Naval Officer-in-Charge.

RESOLUTION.

No. 842.—The Governor General in Council hereby makes the following rules for the examination for Cadetship in the Executive and Engineer Branches of the Royal Indian Navy to be held on the 20th October 1942, and subsequent days:—

Rules.

1. (i) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided, otherwise than as a student at an educational institution only, for a like period.

(ii) in the case of Calcutta, applications shall be submitted through the Commissioner of Police.

(iii) Cadets of the Prince of Wales' Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(iv) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Resident.

(v) No candidates shall make more than one application in respect of this examination.

(vi) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Resident who signs the attestation form.

2. A candidate must be an unmarried man and either—

(a) a British subject of Indian domicile whose father (if alive) is a British subject or a subject of a State in India, or a British protected person of the tribal areas; or (if dead) was at the time of his death either a British subject or a subject of a State in India or a British protected person of the tribal areas, or a person in the permanent service of the Crown or a person who had retired from that Service;

(b) a Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirements of part (a) of this rule may be waived by the Secretary of State if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor General in Council, be limited to such number as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

5. A candidate for this examination must have been born not earlier than the 2nd May 1923 and not later than the 1st May 1925.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Royal Indian Navy. A candidate, who, after examination by a Medical Board is found not to satisfy these requirements will not be accepted for admission to the Service.*

7. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Royal Indian Navy.

8. The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Royal Indian Navy.

11. Candidates must pay the following fees:—

(i) Rs. 7-8-0 with the application form.

(ii) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

(Only Treasury Receipts for these amounts will be accepted by the Federal Public Service Commission.)

14. From the marks assigned to candidates in each subject such deduction will be made as the Federal Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

15. If a candidate's handwriting is not easily legible, a deduction, which may be of considerable amount, will be made on this account from the total marks otherwise accruing to him.

16. After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate and in that order so many candidates up to the number of vacancies announced, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

DEPARTMENT OF AGRICULTURE BENGAL

Dacca, the 14th May 1942.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1941-42.

(*Note.*—On an average of the five years ending 1939-40, the area under linseed in Bengal has represented some 3·4 per cent. and that of rape and mustard 12·6 per cent. of the total area under these crops in India.)

Character of the season.—As reported in the Second Forecast, drought continued and affected the growth of the crops in some districts.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under the crops (excepting *sesamum* for which separate forecasts are issued) is returned at 945,700 acres as against 952,300 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 77 per cent. of the normal as against 66 per cent. last year.

Taking 6¾ maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yield of the crops for the province is estimated at 182,200 tons this year as against 157,000 tons last year.

Resolution on the Triennial Report on the working of hospitals and dispensaries in Bengal for the years 1938, 1939 and 1940.

RESOLUTION—No. 1365Medl.

Calcutta, the 19th May 1942.

Read the Triennial Report on the working of hospitals and dispensaries in Bengal for the years 1938, 1939 and 1940.

PART I—Calcutta Hospitals and Dispensaries.

Number of hospitals and dispensaries.—At the end of the triennium the total number of hospitals and dispensaries stood at 59 as against 54 at the end of the previous triennium. These included 52 Allopathic institutions, 3 Ayurvedic and 4 Homeopathic. Of these again seven institutions were exclusively for the treatment of females. Thirty-one institutions had accommodation for in-patients while the remaining twenty-eight provided treatment for out-patients only. The total number of beds in the in-door hospitals at the end of the triennium was 4,524 as against 4,375 at the end of the previous triennium. The largest share of this increase was contributed by the Lady Dufferin Victoria Hospital, Calcutta, which raised its number of beds from 98 to 229 during the period under report. The Medical College and the Campbell hospitals had the largest number of beds, viz., 747 and 712, respectively; the latter figure included 215 beds for infectious diseases.

Attendance and admission.—The congestion in the Calcutta hospitals remained as acute as ever and almost every hospital had to bear a constant load of extra beds throughout the entire period. The total number of out-patients treated in all classes of these hospitals during the triennium was 4,221,638 or an average of 1,407,213 a year against a total of 3,320,252 or an average of 1,073,417 a year in the previous triennium. The total number of in-patients was 500,881 or 166,960 annually on the average as compared with 287,382 or 95,794 annually on the average during the preceding triennium. The Medical College Hospitals treated as usual the largest number of patients both in the in-door and the out-door departments. It is interesting to note that the percentage of mortality among the in-patients has been steadily declining. It was 10·07, 10·61, 9·00, 8·45, 8·21 and 7·12 in 1935, 1936, 1937, 1938, 1939 and 1940, respectively. The rate of mortality in the Campbell Hospital was the highest and this is ascribed to the fact that this hospital is one of the few institutions which provide accommodation for infectious cases like cholera, small-pox, cerebral meningitis, etc., of which a large proportion proves fatal. Among other reasons for this high rate of mortality is, as observed in the previous report, the fact that the majority of patients in this hospital come from the poorer classes which seek hospital treatment at a very late stage of their sickness.

Nursing.—The nursing services in the three principal State hospitals in Calcutta, viz., the Medical College Hospitals, the Presidency General Hospital and the Carmichael Hospital for Tropical Diseases were conducted as in the past by the Calcutta Hospital Nurses Institution with financial aid from Government. There was a slight increase in the total number of nurses employed in the various hospitals, but as the number of patients treated in these hospitals also increased, the average number of beds per nurse remained almost the same as in the preceding triennium, the figure varying from 1 to 12.

Owing to the overcrowding of patients the nursing staff of the Medical College Hospitals had to work under continued strain of heavy work. To give them some relief sanction of Government was accorded in July 1940 to the empolyment of 20 additional nurses in the institution consisting of 1 night sister, 5 staff nurses and 14 probationers. The nursing arrangements in the Campbell Hospital continued to be inadequate and unsatisfactory as before. A scheme for adequate nursing arrangement in this hospital and for opening a centre there for the training of Indian girls up to the

standard of junior certificate of nursing has, however, since been sanctioned by Government. It is expected that the nursing system in the Campbell Hospital will be considerably improved within a short time. The nursing facilities at the Presidency General Hospital were maintained as usual at a high standard of efficiency.

Government fully endorse the well-deserved tribute paid by the Surgeon-General to the nursing staff in the various State hospitals for having done their duties patiently and ungrudgingly in spite of difficulties and handicaps.

Finance.—The total receipts of the State public, local fund and private institutions amounted to Rs. 1,12,20,665 against Rs. 1,05,93,265 in the previous triennium. Of this Government contribution accounted for Rs 60,25,716 or 53·7 per cent. of the total income as against 52·2 per cent. in the preceding triennium. Local and municipal fund contributions which were mainly received by the private and local fund hospitals and dispensaries accounted for about 19 per cent. of the total income. Fees and contributions from patients amounted to Rs. 14,81,765 against Rs. 12,51,587 in the previous triennium. The Carmichael Medical College Hospital, Belgachia, attracted as usual the largest amount of charitable contributions.

The total expenditure of the State public, local fund and private aided institutions during the triennium was Rs. 1,10,69,332 as against Rs. 1,01,05,788 in the preceding triennium.

The invested capital of these institutions was Rs. 25,59,809 at the beginning of the triennium. At the end of the triennium it stood at Rs. 27,12,946.

PART II—Mufassal hospitals and dispensaries.

Number of hospitals and dispensaries.—The triennium under review ended with 1,798 hospitals and dispensaries practising various system of medicine, as against 1,577 at the beginning of the period, thus showing a net increase of 221 hospitals and dispensaries. Of these 1,681 were Allopathic institutions, 99 Homeopathic, 12 Ayurvedic and 6 Unani. The total accommodation available for in-patients during the period showed a decline from 6,347 to 6,012 beds. The decrease in the number of beds is more apparent than real and is due to the non-inclusion of the beds available in certain private hospitals which did not supply any figures. These statistics are exclusive of the few dispensaries which were temporarily established for special purposes.

The policy of improving facilities for rural medical relief by encouraging the establishment of dispensaries at thana headquarters and villages by means of an annual subsidy of Rs. 500 to each thana and Rs. 250 to each village dispensary was continued during the triennium. The triennium opened with 389 and closed with 556 dispensaries in receipt of these grants.

There were four travelling eye dispensaries under the auspices of the Society for the Prevention of Blindness in Bengal.

Attendance and admission.—The total number of patients treated in the varoius hospitals in the mufassil during the period was 37,714,412 as against 32,275,660 during the previous triennium thus showing an increase of 5,438,752 patients. The total number of in-patients treated was 310,607 as compared with 287,064 in the previous triennium. The all round increase in the number of patients is partly attributable to the general unhealthiness prevailing in the mufassil and partly to the growing health, consciousness and hospital mindedness of the people.

As in the preceding triennium the Mitford Hospital, Dacca, treated the largest number of patients both in the in-door and out-door departments.

Diseases.—Malaria continued to account for the largest number of cases treated, while dysentery, influenza and kala-azar followed next in order. The number of patients suffering from tuberculosis is on the increase. The total figure for the triennium under report was 57,372 as against 50,702 in 1935-37 and 38,672 in 1932-34. There were only two hospitals outside Calcutta exclusively for the treatment of tuberculosis patients, viz., the Jadavpur Tuberculosis Hospital, 24-Parganas, and the Clark Tuberculosis Hospital, Darjeeling. The former institution has been in receipt of liberal grants from Government.

Nursing.—There was hardly any appreciable improvement in the nursing services in the mufassil hospitals. The services of registered nurses were available in only 14 district Sadar hospitals, while in the rest nursing was entrusted to the attendants, ward servants and compounders.

The provision of adequate nursing facilities in the mufassil hospitals is one of the pressing needs. The Surgeon-General has pointed out two difficulties in the way, viz., (*i*) want of qualified nurses and (*ii*) want of adequate funds for employing them. The Nursing Council constituted under the Bengal Nurses' Act, 1934, is doing immense service in the shape of supplying registered nurses for appointment in hospitals. But the question of providing adequate funds in order to enable the district hospitals to employ qualified nurses in adequate numbers remains a problem to be solved.

Finance.—The total income of the State public, local fund and private aided institutions during the triennium amounted to Rs. 1,04,71,151 against Rs. 97,35,446 in the previous triennium. Government contribution accounted for Rs. 19,02,052 or 18·17 per cent. of the total income as against Rs. 11,87,353 or 12;09 in the preceding triennium. This increase is due to the large number of special grants made by Government during the period for the establishment and maintenance of hospitals and dispensaries especially the capital grants given towards the improvement of Sadar hospitals under the scheme briefly referred to in the resolution on the last triennial report. Local fund and municipal contributions accounted for Rs. 59,97,565 or 57·27 per cent. of the total income against 58·74 during the previous triennium. Fees and contributions from patients amounted to Rs. 8,40,312, as compared with Rs. 6,03,451. The commendable increase is a distinct mark of the growing popularity of the hospitals.

The total cost of upkeep of the hospitals amount to Rs. 1,03,10,600 against Rs. 90,56,565 in the previous triennium.

The invested capital at the opening of the triennium was Rs. 32,67,574. At the close of the triennium it stood at Rs. 35,17,265.

PART III—Medical Education.

Medical education up to the standard of the M. B. degree of the Calcutta University and the M. M. F. diploma of the State Medical Faculty, Bengal, was imparted as usual in the two medical colleges in Calcutta, viz., the Medical College which is a purely Government institution and the Carmichael Medical College which is a private aided institution. One of the important changes during the period was the reduction of the M. B. Course from 6 to 5½ years, the old Preliminary Scientific Course having been abolished and amalgamated with the I. Sc. Course of the Science Colleges. During the period under report there were annually on an average 1,405 male and 35 female students under training in the two medical colleges against 1,326 male and 21 female students in the previous triennium. The number of students who passed out of the Medical Colleges during the period showed a gradual increase. The number of Muslim students did not, however, increase appreciably. In 1938 39 effect was given to the scheme for special scholarships to Muslim and Scheduled Caste students in the Government Medical College and schools involving an ultimate recurring cost of Rs. 35,000 for the Muslim students and Rs. 17,280 for the Scheduled Caste students. This, it is expected, will encourage medical education among these two communities and enable them to partake of a large share in the medical administration of the province. Post graduate training was imparted in the various departments of the Medical College Hospitals to a large number of Assistant and Sub-Assistant Surgeons as also to medical officers deputed by the local bodies and private practitioners from both within and outside Bengal.

The School of Tropical Medicine, which is essentially an institution for research and the teaching of Post-graduate students in Tropical Medicine, afforded facilities for investigation and treatement of cases which were not possible with the resources of ordinary hospitals; patients resorted to it from places far and wide.

Instructions for the Licentiateship Examination of the State Medical Faculty, Bengal, were imparted in nine medical schools of which six were Government and three private institutions.

The proposal for the establishment of another medical school at Barisal was revived during the period. His Excellency the Governor has already laid the foundation stone of the proposed institution and it is intended to give effect to the proposal as soon as funds are available. The number of students under training in these institutions was 8,863 as against 8,820 in the previous triennium.

Considerable improvements were effected during the period in the hospitals attached to the Government Medical Schools at Burdwan, Mymensingh and Chittagong, while the teaching arrangements in these three medical schools as also in the Jackson Medical School, Jalpaiguri, were improved by the appointment of separate teachers for individual subjects. Nine extra posts of Assistant Surgeons in the cadre of the Bengal Medical Service (Upper) were sanctioned for this purpose.

The proposal for the conversion of the Dacca Medical School into a Medical College for which a liberal donation was made to the Dacca University by the late Babu Jagamohon Pal of Dacca was investigated by a Committee of experts. The report of the Committee is under consideration of Government.

General remarks.

The triennuim under review showed marked progress in the activities of the Medical Department in various directions. The receipts and expenditure of the hospitals and dispensaries and the total accommodation available in them, the number of patients treated and the operations performed, the number of institutions newly started and the contributions of Government towards the hospitals and dispensaries in the districts showed steady increase. The outstanding developments during the period under review are noted below.

Tuberculosis.—During the period under review the steps taken by Government to fight the scourge of tuberculosis call for special mention. The Bengal Tuberculosis Association received its usual recurring grant of Rs. 10,000 per annum while a recurring grant of the same amount was also sanctioned to the Jadavpur Tuberculosis Hospital for the maintenance of 10 free beds in the hospital for patients from rural areas. A capital grant of Rs. 1,36,000 was also made to the Jadavpur Tuberculosis Hospital during the period. The institution received further capital grants subsequently. A scheme for the distribution of grants to Sadar hospitals for 5 years for the present at the rate of Rs. 15,000 per annum involving an ultimate expenditure of Rs. 75,000 with a view to providing better nourishment and treatment to tuberculosis patients treated in these hospitals was also sanctioned during this period and an amount of Rs. 15,000 is being distributed to the Sadar hospitals each year since 1938-39 under this scheme. Instructions were also issued for the treatment of Government servants suffering from tuberculosis. Several items in the comprehensive anti-tuberculosis scheme prepared by the Public Health Department were also given effect to during the period.

The scheme for the establishment of a Climatic Sanatorium for Tuberculosis in the province towards which Babu Ram Coowar Bangur made a generous donation of Rs. 2,82,000 was referred to in the resolution on the report of the last triennium. Further investigations were made during the period under report for the selection of a suitable site for the sanatorium. It is expected that a definite decision will shortly be reached in the matter.

The establishment of a State Tuberculosis Hospital in the vicinity of Calcutta is also under consideration of Government.

Leprosy.—The Bankura Leper Home, the Raniganj Leper Home (Burdwan), the Premananda Leper Dispensaries (Calcutta), the Leprosy Department of the Chandraghona Mission Hospital (Chittagong Hill-tracts) did notable service to lepers. Government gave an annual recurring grant of Rs. 3,000 to the Premananda Leper Dispensaries and Rs. 1,680 to the Kalimpong Leper Hospital. The rest of the Mission leper hospitals received capitation grants from Government at the rate of Rs. 4 per adult patient and Rs. 2 per child patient treated in them.

The Albert Victor Leper Hospital, Gobra, received a recurring grant of Rs. 60,000 per annum. The Bengal Branch of the British Empire Leprosy Relief Association did very valuable service to the cause and received a grant of Rs. 10,000 per annum. The School of Tropical Medicine also provided facilities for special treatment of leprosy.

Pasteur Institute, Calcutta.—The function of this institution is twofold, viz., treatment of local cases and issue of anti-rabic vaccines to the different centres. There were 216 centres at the end of the triennium as compared with 167 during the previous triennium. 9,336 patients were treated in the institution during the period under review against 8,389 in the previous triennium.

Grants to non-Government Institutions.—One of the outstanding features of the triennium was the large number of grants, both capital and recurring, made by Government towards the maintenance and improvement of various non-Government institutions. Besides the large contributions made to the Sadar hospitals and the Tuberculosis Hospital at Jadavpur which have already been mentioned in the foregoing paragraphs, grants were sanctioned to various other medical institutions. A capital grant of Rs. 2,65,000 was made to the Lady Dufferin Victoria Hospital for the construction of nurses' quarters in the hospital. A capital grant of Rs. 2,50,000 was also paid to the Chittaranjan Seva Sadan, Calcutta, in recognition of the valuable work done by that institution. The Ramkrishna Sishumangal Pratisthan, a maternity home in Calcutta, and the S. K. Hospital, Mymensingh, received capital grants of Rs. 49,000 and Rs. 20,000 respectively. A grant of Rs. 10,000 was made to the Indian Institute for Medical Research in 1940 in order to enable the institution to carry on researches on immunology in malaria. This was in addition to another grant of Rs. 10,000 made to the Institute in 1938-39 for the purchase of furniture, books and equipment, etc. A grant of Rs. 15,000 was also made to the Association for the Prevention of Blindness in Bengal in 1939-40 to enable it to run three travelling eye dispensaries in addition to the dispensaries run by the Association out of its own resources. A further grant of Rs. 19,267 was made to the Association in 1940 in order to enable it to increase the number of travelling eye dispensaries to five. Besides these, a large number of smaller grants was sanctioned to various other medical institutions.

Control of drugs and pharmacy.—The work of testing and analysing drugs was carried on as usual in the laboratories of the Departments of Chemistry, Pharmacology and Bacteriology of the School of Tropical Medicine, Calcutta. The additional staff employed in these three laboratories has since been made permanent and will be considerably augmented when the Drugs Act, 1940, is enforced in this province.

The question of controlling pharmacy by legislation on the lines of the Drugs Act, 1940, is under the consideration of the Government of India.

The proposal for the establishment of a College of Pharmacy in Bengal towards which a generous donation of Rs. 2 lakhs was made by Dr. Anklesaria of Ahmedabad was investigated by a Committee of experts. The Committee's report is under consideration of Government.

Dental registration.—A Dental Board was established under the Bengal Dentists Act, 1939, which came into force on the 16th May 1940. The function of the Board is to regulate the training, examination and registration of dentists. It may be expected that the profession of dentistry will be established on a firm footing within a few years.

Indigenous systems of medicine.—The General Council and State Faculty of Ayurvedic Medicine, Bengal, which was established in 1937, continued its good work in regulating education and practice in the Ayurvedic system of medicine. A General Council and State Faculty of Unani Medicine has since been established and a grant of Rs. 4,000 has been made to it to make a start. Statutes relating to a similar Faculty of Homeopathic Medicine have also been promulgated by Government and the Faculty will soon be constituted.

Honorary Medical Officers.—The honorary workers in the various hospitals both in Calcutta and in the mufassil continued to render valuable service in

the respective institutions and Government fully endorse the well deserved tribute paid to them by the Surgeon-General for having discharged their duties with efficiency and devotion. The system of appointing honorary medical officers, which was introduced in the district Sadar hospitals in 1937, proved a success and was subsequently extended to the subdivisional hospitals as well.

Non-official organizations.—Valuable services in medical relief were rendered as in the preceding triennium by several non-official and voluntary organizations. Chief among these were the Bengal Branch of the British Empire Leprosy Relief Association, the Association for the Prevention of Blindness in Bengal, the Bengal Tuberculosis Association, the Bengal Branch of the Indian Red Cross Society and the Bengal Branch of the St. John Ambulance Brigade and the Calcutta Medical Aid and Research Society.

Improvement of Sadar and Subdivisional hospitals.—In his report the Surgeon-General has referred to the acute congestion in the hospitals and dispensaries in Calcutta and has stressed the necessity of an early solution of the problem. The remedy lies in increasing the hospital accommodation available in Calcutta and also in improving the Sadar and subdivisional hospitals according to modern standards. The latter course has been considered to be a very practical proposition in view of the fact that if the hospitals at the district headquarters and in the subdivisions are adequately improved and if facilities are provided in these hospitals for treatment according to scientific and up-to-date standards it will obviate the necessity for the patients coming down to Calcutta from mufassil districts to seek medical relief in the city. With this end in view a moderate scheme for capital grants to the Sadar hospitals to the extent of Rs. 4,40,000 was drawn up by Government. Up to 1940-41 an amount of Rs. 2,21,418 was actually distributed to 14 Sadar hospitals on condition that a share of the capital cost as well as the whole of the recurring cost involved were borne by the local bodies. The question whether the Sadar hospitals should be provincialised in the interest of efficiency of the medical administration of the province is engaging the attention of Government.

Conclusion.—The thanks of Government are due to the various officers who administered the Medical Department during the triennium and worked strenuously during the war particularly in the latter part of it and to Major-General W. C. Paton for his valuable report.

By order of the Governor,

T. I. M. NURANNABI CHAUDHURI,
